

WICHITA STATE UNIVERSITY

Department of Mathematics, Statistics & Physics

The Lecture Series in the Mathematical Sciences Presents Our Guest:

Professor Nikolai Leonenko

Cardiff University, United Kingdom

are derived by using martingale methods, regular variation properties and Anscombe's theorem. Usually some of the limit results are verified in a Monte Carlo simulation. (Joint work with Professor David Williams (University of Sussex, UK))

Friday, January 18, 2019
3:00 PM in 372 Jabara Hall

Please come join us for refreshments before the lecture at 2:30 p.m. in room 353 Jabara Hall.
