The image displays three distinct on-campus housing environments. On the left, Shocker Hall is a large, multi-story brick building with a paved walkway and people walking. In the center, The Suites Suites is a modern, multi-story building with a landscaped courtyard and a paved path. On the right, The Flats is a modern, multi-story building with a paved walkway and people walking.

**Shocker Hall** is open to only first-year students and is located in the heart of Shocker Nation.

**The Suites Suites** is the newest of our three communities. This suite style residence hall is only open to first-year students and is located directly next to the Flats.

**The Flats** is the upperclassmen complex located next to the new YMCA Wellness Center.
