

Carl Braden C. Blidge has served his country through the United States Air Force for over 16 years. He is currently assigned as a flight commander on the KC-135R McConnell Air Force Base. Brandon has served in multiple functions both active and reserve components. During his enlisted career as a combat engineer, he served in both Iraq and Afghanistan on Operation Enduring Freedom and Operation

Enduring Freedom. As a pilot, Brandon has been deployed to the Middle East and once to the Pacific area during combat missions over Iraq, Syria, and Afghanistan. As a civilian, Brandon works as a contractor for the

Department of Defense and military communications program through the Veterans United Bond (VUB), getting the highest advice and highest time from the highest level of critical operations and he is highly motivated and thankful for the opportunity he has been given.

Michael C. Blidge served in the United States Marine Corps from 1973 to 1976. His Military Occupational Specialty was 0351 anti-aircraft/demolition. He has been a member in the engineering force and the old, including Finland and Norway. He earned his Marine discharge while a member of the old engineering high school diploma.
