New Faces in the Ranks

We have a new face at VUB! Meet Julie Sanders, Program Specialist. Julie served on active duty in the U.S. Army from 95-99 in the Military Intelligence Corps. She went on to obtain her Bachelor of Science in Organizational Management and Leadership from Friends University and is currently pursuing her Executive Master of Business Administration at Wichita State University. She is very eager to know you and determine how we can best help you to fulfill your educational goals.

Congratulate Stacia Lyday on her promotion to Director, Veterans Upward Bound! Stacia has a seven-year history with VUB and we are very proud to have her in the lead.

The post-holiday season can be a rough time for a lot of people. Be sure to check in on your battle buddies who suffer from seasonal depression. A simple kind word or gesture may mean a great deal to them. In the words of the Soldier's Creed, "I will never leave a fallen comrade."
